Sir:

This is a response to the Restriction Requirement of August 15, 2007. Applicant elects without traverse to prosecute Group 1, species 1 comprising claims 1-13, 35-39 and 41 drawn to a method of vehicle acquisition. Claims 1-13, 35-39 and 41 read on the species identified as Species 1 (represented by Figure 1). This election without traverse is not an acquiescence to the Examiner's grouping of the claims by invention or species. Rather, this election is being made to advance the prosecution of this application.

Prompt and favorable consideration of this application is requested. If the Examiner notes any minor errors, the Examiner is invited to telephone the undersigned so that the matter can be promptly handled by Examiner's amendment.

Respectfully submitted,

CHRISTOPHER HALL ET AL.
